The first ever Ayurveda Exhibition and Symposium 'Ayurveda 2007' organised by the National Chamber of Commerce of Sri Lanka in association with the Ministry of Indigenous Medicine, Board of Investment of Sri Lanka and Sri Lanka Export Development Board held at the Sri Lanka Exhibition and Convention Centre ended on a high note yesterday.

The Chamber and the Organising Committee have decided to make it an annual event.

A large number of visitors came to see the exhibition during the three days. Over 80 stalls showcased a variety of Ayurvedic medicine, herbal food, drinks and herbal cures, and Spa treatments. There were a number of delegates from India, Pakistan, Myanmar, Malaysia and Japan. The exhibition was held to create an awareness among the public, business community and the investors and to explore the large market the sector has in Asia and the rest of the world. Some of the stalls and activities of the exhibition are featured here.
