Shilpa 2007

The local handicraft exhibition organised by the National Craft Council and the National Design Centre Shilpa 2007 was held at the BMICH from November 9 to 12. There were 212 stalls from various parts of the country with their specialised products. This included clay products, wooden, leather, brass, and embroidery work and many other ornamental items. The best products selected will be given President's Award and cash prizes. Featured here are some of the exquisite and intricate handicrafts at the trade fair.
