Bridal bevy...

Bridal Fair 2008 was held at the Sri Lanka Exhibition and Convention Centre from July 17 to 20 which attracted a large number of folk from fashion enthusiasts as well as bridal designers to those who were planning to tie the nuptial knot... The events were spread over a number of days with different programs being held each day. Our photographer **Palitha Gunasena** was able to capture these models in eye-catching Fantasy and Bridal/casual outfits. The event was co-sponsored by *Daily News*.
