The EDEX 2009 at the Queens Hotel, Kandy attracted a large number of school-leavers and students.

Project Chairman EDEX Kamal Abeyasinghe said that this was the fourth time they organised the EDEX exhibition in Kandy. "We are targeting over 30,000 visitors for the exhibition. There was a good response from the students and school-leavers in Kandy", he said.

The exhibition with 60 stalls represented local and foreign educational institutes and universities.

The organizers will also conduct three seminars for the participants today. These seminars will focus on personal development, team work, how to prepare a CV and how to face a job interview.

"We think it is important for students and school-leavers to be educated on these topics", he said.

The EDEX 2009 which was held in Colombo last week was a mega success with a large number of participants.
