The Maldives Construction Fair 2009, (MCF) concluded successfully. It was held from April 20 to 22 at the Dharuhaaruge Exhibition Hall, Male in Maldives.

The Maldives Construction Fair was held for the fourth consecutive year and was organized by Maldives Exhibition and Conference Services Limited.

"Construction, which is the third largest component of our economy, was energized by a robust economic development in the country.

Therefore, this is the nation's largest and the most respected, as well as the one and only commercial trade show exclusively catering to the needs of the

construction and building industry in the Maldives" said President, Maldives Association of Construction Industry, Mohammad Ali Janah.
