

Camilla School marks Silver Jubilee on Friday

BEVERLEY JANSZ

Camilla School, Mattegoda Kottawa is the biggest and the most meaningful continuous project of the entire Lions family in Sri Lanka. A project managed by a Board of Trustees appointed by Districts 306 A 1 & A-2 for the rehabilitation of mentally and physically retarded children. It will celebrate the Silver Jubilee on Friday June 12, with Lion Lady Kushlani, wife of LCIF Chairman Lion Mahendra Amarasuriya, as chief guest.

The project became a reality in the year 1984 under the governorship of PID Lion Asoka Gunasekera MJP. The project was supported by the Danish Lions of District 106.

Run strictly on professional lines Camilla School remains the best of its kind in Sri Lanka. Situated in a beautiful surroundings at Mattegoda it has residential facilities to accommodate 75 inmates and presently there are 57 inmates with a staff of 27 to attend on the children.

The school requires approximately Rs. 400,000 to meet the expenses per month and the bulk of it comes from the Lions and their ladies. The Govern-

ment gives an annual grant of Rs. 700,000.

The school has all the facilities for the rehabilitation of the inmates. A spacious gymnasium where the children take exercises and receive physiotherapist

treatment in the hands of a professionally qualified physiotherapist. Class rooms where two trained teachers impart basic knowledge to some who can attend the school. These children have developed skills in dancing, singing and such vocational training in candle, envelop, patch carpets and joss sticks making. They have a spacious playground with garden play equipment for their relaxation Rehabilitation is a long and arduous task and the care gives trained spend many hours in rehabilitation under the guidance of a matron. The children are treated for dental care every quarter and for eye care twice a year. When necessary inmates are sent to the specialists. Every one who vis-

its the school has a good word for the clean environment which is only possible due to the care and devotion of the staff. There is a Welfare Committee of Lion Ladies who closely monitor the affairs of the school specially the well being of the inmates and the welfare of the staff.

Past Council Chairman Lion Cassian M Fernando has been responsible for the management and administration of the school for the past 25 years. He is responsible for the Board of Trustees. Getting involved with and fulfilling the needs of Camilla School is a golden opportunity to the members of the Lions family to translate the philosophy of We Serve into reality to all human beings it gives an opportunity for Caring Sharing and Loving.

Message from LCIF Chairperson Lion Mahendra Amarasuriya MJP

The Camilla School for mentally and physically challenged people has been one of the major service projects of Lions in Districts 306 A-1 and A-2 for the last 25 years. This project has benefited many individuals who have been looked after due to the generosity and the commitment of the Lions and Lion ladies of these two Districts.

When celebrating a quarter century of its existence, it is the appropriate time to look to the future and formulate a plan of development whereby more attention should be paid to the possibility of rehabilitation of the inmates and also providing possible employment opportunities for them. Whilst congratulating the Camilla Trust for its commitment during the last 25 years, we wish the institution all success in the future.
