# International Construction Expo

The first ever International Construction Expo and *Kedella Art of Living* the country's premier interiors exhibition held at the Srimavo Bandaranaike Exhibition Centre ended successfully. The three-day exhibition commenced on October 30. A large number of people visited the exhibition. There were over three-hundred stalls covering all aspects of the industry. Participants from the Gulf and South Asian region also set up stalls.

It was organised by the Chamber of Construction Industries. These pictures were captured at the exhibition by *Daily News Business* photographer Saliya Rupasinghe. **RK**
