

Three-in-one textile exhibition

CEMS-Conference and Exhibition Management Services Ltd. USA in association with CEMS - India organized three exhibitions namely Textech Sri Lanka 2010 Expo, a comprehensive international

exhibition for the textile and apparel sector of Sri Lanka, fourth Dye+Chem Sri Lanka 2010 international Expo, an exclusive international exhibition on dyes and fine and specialty chemicals and Colombo

International Yarn and Fabric Show 2010 concluded on Saturday. Exhibitors from ten countries participated in these exhibitions which targeted not only the textile and apparel sector, but

also the entire export sector. The exhibitions focus on the entire textile and apparel industry and were a perfect one-stop-buyer-seller meeting point for all the requirements of the

industry. With the ever increasing competition in the world market, industries in Sri Lanka can expand their share in the market abroad and at the same time attract more foreign investment in the

highly potential industry, specially the garment and textile industry. There were many visitors to these exhibitions which showcased the latest technology in the apparel sector. *SJ*
