'Feel Sri Lanka'

Visitors arriving to watch 'Feel Sri Lanka'

'Feel Sri Lanka' will be staged every Friday at Hotel School Auditorium, 78 Galle Road, Colombo 3 (Opposite Cinnamon Grand) 5.30 pm onwards.

The main objective of organizing this event is to stage traditional dancing performances to attract more tourists to the country.

'Feel Sri Lanka' was officially launched on September 03. Sri Lanka Tourism will stage this show every Friday for the benefit of the tourists. The visitors will be given an opportunity to witness and experience authentic traditional Sri Lankan dances.

Sri Lanka Tourism will also undertake staging this on any other day for special groups including Meetings/Conference/Incentive (MICE) delegates on cost sharing basis. Here, we feature some highlights of 'Feel Sri Lanka'.
