Ceylon Continental welcomes 2011

Ceylon Continental Hotel welcomed 2011 with BIG BANG and it was awesome celebrating the new year in grand style. Everyone did enjoy themselves to the highest level.

The bands for the night Kings and Doctor kept their word and kept every

soul on the dancefloor till sunrise. DJs from Your Radio as well kept the night alive and going. These are some of the highlights of how people bid goodbye to 2010 and welcomed 2011.
