

Cake-mixing at Taj Samudra

The annual Christmas cake-mixing ceremony was held in grand style at Taj Samudra Hotel's Latitude. The Taj team invited their guests to join in the fun of mixing together the ingredients of the mixture for their Christmas cake. Visitors had a memorable Christmasy moment when they donned Santa hats, aprons and gloves and battled with the dried fruits, nuts and spices to churn a well-combined assortment to await in time for the final preparations of yuletide. Daily News photographer Lalith C Gamage captured these joy-filled moments of the chefs, hotel staff and their invitees.
