

# Myriad emotions

# of Water

**C**apturing varied emotions of water, the local dance troupe 'nATANDA' hopes to treat you with a refreshingly unique, aesthetic experience with the unfurling of the modern ballet 'Ripples'. Choreographed by Kapila Palihawadana, 'Ripples' illustrates the myriad emotions of water. It renders its power, grace and beauty in a visually stunning treatise that allows the viewers to reflect on their complex relationship with water and its importance to the human condition. The show will kick off at Viha-ra Mahadevi Park on Friday March 23 from 7.30 pm. The ballet will again be shown on March 24. All the information regarding the grand dance programme can be obtained through their official website, [www.ripplesonwater.org](http://www.ripplesonwater.org). ANCL and Derana TV are the media sponsors of the event.
