

# My Wedding 2012 Making your wedding dreams come true!

'My Wedding', the bridal exclusive exhibition hit town again last week. The three-day event, celebrating nine successful chapters, was showcased at the BMICH from March 16 to 18. Tips on bridal wear, beauty and hairdressing, gem and jewellery, cosmetics, perfumery, flowers and décor, wedding stationary, photographers, hotels packages, gift items, health products, food and beverages were on offer. Renowned beauticians exhibited models donning glamorous bridal attire at fashion shows held in the evenings. A fashion show displaying elegant dresses appropriate for weddings and other occasions too was held at 'My Wedding 2012'. Our photographer Lalith C Gamage captured these moments from the fashion shows. Daily News is the print media sponsor of the event.
