The South Asia's most focused and largest international boat exhibition, "Boat Show Sri Lanka 2012", concluded yesterday. The three day mega event commenced on the 18th May 2012 at the Sirimavo Bandaranaike Memorial Exhibition Center, Colombo, Sri Lanka.

This exhibition was organized by the Boat Building Technology Improvement Institute together with Lanka Exhibition and Conference Services (Pvt) Ltd in association with the Sri Lanka Export Development Board and the Ministry of Industry and Commerce.

The highlight of the exhibition was the boating conference with three eminent international speakers held on the second day.

The 3rd edition of Boat Show Sri Lanka created the platform to develop the boating industry and promote the leisure and pleasure boating sector with the assurance of promoting Sri Lanka as a main boating hub in South Asia. *Pictures by Saliya Rupasinghe*
