

Candy land and Caroling with Santa just for kids

'Tis the season for celebrating the most wonderful time of the year and spreading the joy with friends and family. Mount Lavinia Hotel that has tailor made children's activities to keep the children busy this Christmas season concludes with a resound success.

The children's activities were uniquely created to focus on what the child like. Mrs. Claus' Kitchen highlighted cooking with Mrs. Claus. The spirit of Christmas surfaced how it all began with Grinch visiting the afternoon. Hawaiian Magic was performed outdoors with games at the Paradise Beach. It is all about caroling with their favourite fairytale characters the Seven Dwarfs on December 23. The day will have movies, craftwork and caroling session for the children to stay occupied, whilst their parents can enjoy the Jazz Blues and Soul Food lunch buffet at the Terrace.

Who says New Year's Eve parties are only for adults? Well, MLH has got a party for the young ones when they surface Candy land on December 30. "We will make it more of a night event with a lot of dancing, a separate candy buffet, games on the dance floor, and yes a miniature New Year's Eve bash just for children", General Manager Mount Lavinia Hotel Anura Dewapura stated.
