

Fashion unfurls

in Galle

The maiden fashion show to be held in Galle took over the Lighthouse Hotel, Daedella, recently. Titled *Old Railway Fashion Show* the clothes that were exhibited were designed by the Old Railway designer Catherine Rawson. Here are moments from the event captured on lens by our photographer Sulochana Gamage.

Go Danish

City Chain in collaboration with Glitz launched the latest

range of Danish Design Watches on January 18. The fashionable new collection was launched at the Glitz showroom in Mount Lavinia with the presence of many prominent personalities. It is with the past success and increasing demand

designs in gold, silver and bronze, produced with stainless steel and titanium materials. "We are glad that Danish Design watches have an increasingly growing demand in Sri Lanka and hope to continue this momentum by offering the latest styles, high quality standards and affordable prices said S. Weisz Uurwerken Export Director John Garcia. "We thank our local counterpart City Chain for the assistance and the support they have rendered within the past years" he also added. "At Glitz we ensure that we work with the best in the market and our store offers world renowned brands. We focus on offering the best styles and quali-

ties to our customers. Danish Design watches meet our customer requirement and that is why we continue to promote their products at our retail outlets," said Glitz Operations Manager A M M Shafeek. S. Weisz Uurwerken BV is an international watch and jewellery company based in the Netherlands. Weisz is the manufacturer and worldwide distributor of Danish Design as well as Jacob Jensen watches, clocks and jewellery. City Chain is the sole distributor for Danish Design watches in Sri Lanka. City Chain specializes as the sole dealer for well known internationally recognized branded watches.
