their first air travel experience but also offered an interesting insight of overall operations of air travel.

Over 100 children who participated at the Senehasa Leadership Camp organized by Friends Organization and another 20 children who were winners of the Civil Aviation Art Competition, organized by Ministry

of Civil Aviation to mark 100 years of Aviation in Sri Lanka got the opportunity to fly for the first time which lasted over one and half hours.

The children were all given mock passports, boarding passes and were provided on board snacks.

They were also thought finer points in flying.

In keeping with Sri Lankan Cares mission, SriLankan Airlines organized a scenic flight, from Katunayake International Airport to Hambantota International Airport for a group of children recently.

This tour not only gave the children
