

# Architect 2013 kicks off

The 31st Annual Sessions of the Sri Lanka Institute of Architects (SLIA), was inaugurated on February 20, 2013 at the BMICH.

Government officials and guests from overseas graced the event.

The inauguration comprised of Awards of Excellence in the field of Architecture, presented to members of SLIA and consisted of awards that recognized exceptional design

abilities, use of colour and honoured outstanding design in various categories of construction.

The annual sessions of 2013 also comprised of the Members' Trade and Work Exhibition, the National Conference, Annual General Meeting and the Fellowship Night that will give a festive closing to the event. Some highlights of the event
