**Wedding of  
RUVINI & PESHALA**

Uzmaan and Iyanthie of Eventz N Trendz were legends and they were awesome. One year before the wedding, the months and weeks leading up to the wedding and on the day itself. They promised us stress free event coordination, and they delivered. We were really able to enjoy our engagement, knowing that most of the wedding plans were in good hands and taken care of. Thank you so much for making sure everything ran so smoothly.

We were initially worried about planning the wedding, as both of us live overseas. We weren't sure how we were going to coordinate things with all the suppliers. But both of them were great in handling things for us throughout the year. They understood that we wanted to keep things simple and spoke to the suppliers on our behalf to ensure that's what we got.

On the day of the wedding, it was such a joy to see both sets of parents enjoying themselves. That is because they knew that Uzmaan & Iyanthie were there behind the scenes taking care of everything. The poruwa ran so smoothly as they were personally there to ensure all the gifts and jewellery were there when needed.

Thank you for making our wedding a night to remember. It was absolutely amazing! :-)  
All the very best!
