

CARLTON SUPER ON OVER-DRIVE

What an exciting 3 day adventure it was, at my first ever Carlton Super Sports fiesta. Wish I had some siesta in-between but sadly, I really didn't know what I was going to expect till I saw the programme list on my way to the Carlton Track - Tissamaharama (a 7 hour journey that actually took 11 hours for many reasons). The 7th Carlton Super Sports took off on March 1 and ended in a success-

ful note on March 3 at the Carlton Racing Track in Tissamaharama. It was three days of dust, mud and sweat but also excitement and exercise for me, as each race and event was held in two different places - we the journalists had to run from here to there.

These are few of the highlights of more to come of those 3 days at the Carlton Super Races captured on lens by **Geesha Munasinghe.**

ACCA Sustainability Reporting Awards 2012

The country's most transparent and accountable business entities were honoured at the annual ACCA Sri Lanka Sustainability Reporting Awards recently, which saw Diesel & Motor Engineering Company (DIMO), HNB Assurance and HDFC Bank conferred the coveted trophies in the large, medium and small sectors respectively. Brandix Lanka in the large scale cate-

gory and Vallibel Power Erathna in the small category gained a positive nod from the panel of judges as First Time Entrant reporting companies who conformed to the stringent reporting guidelines benchmarked against GRI (Global Reporting Initiative) guidelines and best business practices complied with globally.

Adding to the rewarded list of companies, were runners-up Dialog Axiata in the large scale, Convenience Foods (Lanka) in the small scale and joint runners-up in the medium scale category Aitken Spence Hotel Holdings and John Keells Hotels.

The panel of judges also saw it fitting to award commendations to Union Assurance and John Keells Holdings in the medium and large scale categories.
